

Tea & Buns

YOU ARE CORDIALLY INVITED TO HELP
MAKE THE WORLD A BETTER PLACE...

"Come along inside... we'll see if tea and buns
can't make the world a better place."

- The Wind in the Willows

Tea & Buns is an initiative of QUT's Australian Centre for Philanthropy and Nonprofit Studies (ACPNS) which aims to create an opportunity for those working in nonprofit and social innovation to learn from each other, discuss the latest research and how we might apply research to our work. The event is held once a month, is online, free, and gives people access to a vibrant network of like-minded people, including researchers at QUT. Each month the discussion is centred around topical leadership questions.

In December 2020 participants were asked to complete a short survey to gather their feedback, understand what impact has been created for whom, and how impact has been created. 42 respondents provided their feedback.

Many recordings of the events are on the ACPNS website here:
