

Ethics Bridging Course

Convenient and cost effective
FASEA-approved bridging course.

Overview

QUT's 'Ethics and Professional Relationships' bridging course is designed to help you comply with the [Financial Adviser Standards and Ethics Authority's \(FASEA\) ethics education requirements](#). It will provide support and opportunities for advisers to develop knowledge and skills to get future fit, fast!

The program will provide you with ethical frameworks to help you manage ethical dilemmas and to develop and implement plans to comply with the FASEA educational requirements.

The team of QUT facilitators are qualified and industry experienced. They will deliver an intensive and rich learning experience that will help you to gain knowledge, satisfy the FASEA ethics education requirements and build networks and connections with your colleagues.

This 8-week online course has been designed to fit into your work schedule. It is delivered as a fully supported, directed learning experience delivered online, with weekly consultation, assessment webinars and two four-hour online workshops as well as associated self-directed learning.

Course at a glance

Completing this course will facilitate your ethics education including:

- Being able to articulate the importance of a code of ethics.
- Identify different ethical frameworks
- Apply ethical frameworks to solve dilemmas.
- Identify the importance of the best interest duty of a financial adviser.
- Summarise the need for due diligence
- Understand the requirements as specified in the FASEA Code.
- Explain the values that underpin the FASEA Code of Ethics.
